

# Warrant of Restitution

To the bailiffs of the court

On the                      day of                      20                      ,  
<sup>(1)</sup> describe the land as set out in the order  
**It was adjudged** that the applicant was entitled to possession of <sup>(1)</sup>

**And** on the                      day of                      20                      a warrant of possession was issued, requiring you to give possession of the land to the applicant and possession of the land was given by you to the applicant under the warrant on the                      day of                      20

(**And** the applicant having satisfied the court that the land has been re- entered wrongfully and the court having ordered, on the                      day of                      20                      , that a warrant of restitution should issue in respect of the land (and that the respondent should pay the applicant the sum of £                      for costs)

**YOU ARE THEREFORE REQUIRED FORTHWITH TO ENTER THE LAND AND RESTORE POSSESSION OF IT TO THE APPLICANT**

(**You are further required** to take control of goods forthwith for the total amount shown overleaf in accordance with the provisions of sections 85 and 89 of the County Courts Act 1984)

Application was made to this court for this warrant at                      minutes past the hour of                      o'clock  
on
