Taking control of goods notice

The bailiff has taken control of your goods. This means you must **not** dispose of them as the court may have to take them and sell them at public auction.

If you do not want the bailiff to remove your goods

You can ask the bailiff **not** to remove your goods but you should sign the control of goods agreement below.

If you pay the total money due

Your goods will **not** be taken and you will not have to pay any more costs. You **must** pay the money to the bailiff (the address is shown on the front of this notice). When you pay any money you will be given a receipt.

If your goods are removed

- you will be given a list of the goods removed
- the goods will not be sold for at least 7 days (unless they are perishable)
- you will be given at least 7 days' notice of the date and place of the sale
- further fees may then be charged and will be added to the debt
- these fees could include the cost of removing your goods and the fees charged by the auctioneer

When the goods are sold

You will be given a detailed written account of the sale and distribution of the money.

If the sale is stopped

You will normally have to pay a fee and any expenses incurred in removing the goods or advertising the sale.
