

Application for a certificate of satisfaction/cancellation

Important

1. Entries in the Register can only be cancelled if the debt was paid within one month of the date of judgment. If the debt is paid **after** one month the entry will remain on the Register but will be marked 'satisfied'.

2. You must provide evidence that the debt has been paid in full or state that the court already has this information. The court will not be able to process your application if it has no evidence that full payment has been made.

3. If you cannot provide the court with evidence of full payment, the court will write to the creditor to confirm that the debt has been paid. If the court does not hear from the creditor within one month, it will issue a certificate.
